Medatrax offices will be closed on Thursday, Nov. 24, and Friday, Nov. 25 for the Thanksgiving Holiday. Our office will reopen Monday November 28th.

2 Click "View Class Curriculum"

The screenshot shows a web-based application for managing a class. At the top right, there is a dropdown menu labeled "Class: 2024" and a link "Create a New Class". Below this, under "Class Info", there are several date fields: First Day of Cases (9/6/2022), Last Day of Cases (6/1/2024), Last Day to Change Data (6/1/2024), Date Completed (6/1/2024), ACLS Expiration Date (1/1/2022), and PALS Expiration Date (1/1/2022). A yellow circle highlights the "View Class Curriculum" link in the navigation bar, which is located above a "Students" section. The "Students" section is currently empty, indicated by a large black redaction box.

3 Click "Edit"

The screenshot shows the "Curriculum" page. At the top, there is a navigation bar with links: Student Review, Reports, My Account, Mail Center, Help, and LogOut. Below this is a blue header bar labeled "Curriculum". A dropdown menu "Class: 2024" is visible. The main content is a table with the following data:
